

Singapore Mathematics Project Festival 2004

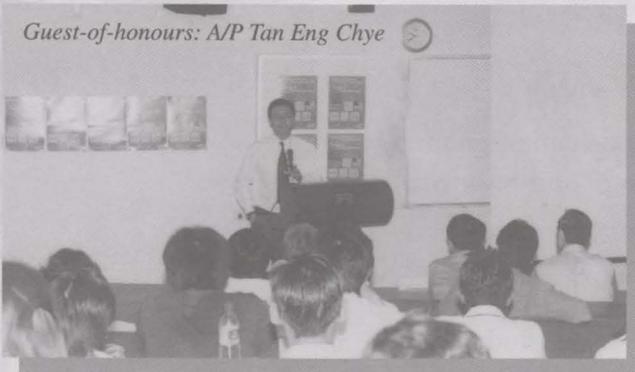

A Report by Tang Wee Kee

The Singapore Mathematics Project Festival 2004 attracted seventy-five teams of participants from thirty-four secondary schools. Five teams from each of the Junior and Senior Sections were invited to participate at the Festival Congress held at River Valley High School on 18 March 2004. Over a hundred teachers and students from various secondary schools attended the Festival Congress to watch the invited teams made presentations on their projects. Afterwards, the teams were interviewed by the judges to probe further into their understanding of the project material. The judges for the Festival were Dr. Lee Tuo Yeong (NIE), Dr. Toh Tin Lam (NIE) and Assoc Prof Yap Sook Fwe (NIE) for the Senior Section; Assoc Prof Chew Tuan Seng (NUS), Mr. Lawrence Neo (Nanyang JC), and Assoc Prof Denny Leung (NUS) and for the Junior Section. Some of the projects submitted to the Festival will be available at the SMS website.

The Society expresses its sincere gratitude to River Valley High School for allowing the use of its facilities to host the Festival Congress, the members of the teacher subcommittee at River Valley High School who did a wonderful job of organizing the Congress, the judges for their time and effort, and to all participating teams, supervising teachers and their schools for the support they have shown to the Festival.

The Singapore Mathematical Society is pleased to announce the results of the Singapore Mathematics Project Festival 2004.
